¹ Recicle en las tiendas Vons y Albertsons

² Residuos peligrosos, llevar a UCSB, 882-3602

³ Recicle en Santa Barbara Iron & Metal , 966-4468

What is Mixed Recycling?

Commingled, Cardboard Plus, and Cardboard Only Recycling for commercial and residential have been merged into one service. All recycling in dumpsters, carts, and cans is now Mixed Recycling regardless of the label or sticker. You can put anything in your bin that is on the "yes" list on the inside of this brochure as long as it fits in the container when the lid is closed, and it weighs less than 80 pounds. To recycle larger items, call 897-2542.

What Containers are Available?

Recycling is available in 32 gallon cans, 32, 64, or 95 gallon carts, dumpsters, rolloffs, and compactors. Old carts are tan, new ones are blue. Cardboard boxes often don't fit in carts or cans, but fit nicely into dumpsters. Dumpsters, rolloffs, and compactors can also take a few materials that cannot be recycled in carts or cans such as plastic bags, shrink wrap, large metal items, pallets, and plastic furniture. The smallest dumpster, 1.5 cubic yards, is the same volume as three 95-gallon carts.

Call your hauler to start or change service.

BFI: 965-5248

MarBorg: 963-1852

32 Gal. Can

95, 64, 32 Gallon Carts

Dumpster (2yard)

30-Yard Rolloff Box

25-Yard Compactor

How Do I Prepare the Materials?

Please do not bag recycling. Put it loose all together inside the bin.

Paper & Cardboard

Paper clips and staples are okay. Unopened mail is accepted as well. Break down boxes, remove styrofoam blocks, and throw them away.

Glass Bottles & Jars

Rinsing is preferable, but glass can be dirty. Labels and lids are okay.

Metal

Rinsing is preferable, but metal can be dirty. Rust, paint, labels, and some non-metal parts are okay. Paint cans and containers must be completely empty and dry.

Wood (recycling dumpsters only)

Nails, screws, hinges, or paint are okay.

Plastic

No plastic with food or liquid in it. **You must rinse the food containers.** If plastic contains food, we may lose the ability to recycle it.

Where Does the Material Go?

Recycling from carts and cans is taken to Gold Coast Recycling in Ventura. Recycling from dumpsters, rolloffs, and compactors goes to the MarBorg Recycling Center near the SB Airport. All Mixed Recycling is sorted first by machine, then by people into many different categories.

When is the Recycling Picked Up?

Commercial recycling can be picked up from one to six days per week. Residential recycling in carts/cans is picked up once per week.
